## BILBERRY COCKTAIL BAR HEART OF THE LORNE

Bilberry cocktail bar is at the heart of the Lorne hotel offering dangerously good cocktails. Our signature cocktail, 'The Bilberry' will have you craving more.

The chic surroundings of the Bilberry bar are the perfect place to meet with friends or just while away the hours, day or night.

The 'Good Neighbour Policy' at the Bilberry - This refers to the time when Daiquiris became incredibly popular in the 1940s in the USA. Wartime rationing made whiskey, vodka etc hard to come by, yet because of Roosevelt's Good Neighbour Policy, (which opened up trade and travel relations with Latin America, Cuba and the Caribbean), rum was easily obtainable. The Good Neighbour Policy, also known as 'The Pan American program', helped make Latin America seem fashionable. As a consequence, rum based drinks, once frowned upon as being the domain of sailors and down and out, also became fashionable, and the Daiquiri saw a tremendous rise in popularity in the US. The Bilberry bar pays homage to the increasing popular Daiquiri with a few of our favourites made with El Dorado 3yr and 5yr.
